A Mother's Love

Only once in your life will someone so special
Walk in front of you and prepare the way
For a better future.

Only once will there be a person
Who cares enough to say "no"
But is enthusiastic enough to say "yes"
Whenever possible.

Only once in your life will someone wait patiently
While you make the most important
Decisions of your life.

Only once will you know someone
Who had the courage
Not to back down from a decision she's made.

Only once will you have the opportunity
To be loved by someone who
Could never love you more
Than she does every day.

A mother's love is one of a kind.

Lovingly submitted, Your Children

Her Smile

Though her smile is gone forever
and her hand I cannot touch
I still have so many memories of the one
I loved so much.

Her memory is now my keepsake
which with I'll never part.
God has her in her keeping
I have her in my heart.

Sadly missed, but never forgotten.

Your loving husband, Bobby D.
