In Appreciation

Words are inadequate to express the humbleness and gratefulness we feel towards all our friends who have consoled us during our bereavement. Your prayers, your love, your presence and service has sustained us. Your cards, emails, flowers and gifts of food were warmly appreciated. We saw all of these as God’s love, expressed through you. Whatever you did to console our hearts, we thank you very much. May God richly bless you.

Tribute To My Loving Family

MISS ME - BUT LET ME GO

When I come to the end of the road,
And the sun has set for me
I want no rites in a gloom filled room,
Why cry for a soul set free?
Miss me, but let me go.
Miss me a little but not too long
And not with your head bowed low,
remember the love that we once shared,
miss me - but let me go!
For this is a journey we all must take,
A step on the road to home.
When you are lonely and sick at heart,
Go to the friends we know
And bury your sorrows in doing good deeds
Miss Me - But Let Me Go.

~Love, “**ShooBoo**”

Tributes

To My Husband

I’ll Always Remember

That special smile, that caring heart,
That warm embrace, you always gave me.
I’ll always remember you being there for me.
Through the good and bad times
no matter what.
I’ll always remember you,
because there’ll never be
Anyone to replace you in my heart.

~ Love Always, “**Alice**”

To Our Daddy

If love could keep you, you would still be here.
Our lives seem so strange without you here.
There was never a time when you weren’t near.
But as we look around, you’ll never be gone.
For you left us memories that will forever live on.
There is a chair at the table that can never be filled,
Since GOD took you home and your voice has been stilled.
We will always see you in life’s little places.
We know in our hearts that GOD knew what was best,
When he silenced your voice and took you home to rest.
We love you Daddy. But GOD loves you best.

~ Love, Your Children

To Our Granddaddy

If all the world was ours to give
We’d gladly give it now.
Just to see your face again
Would make it all worthwhile.
You’ve been gone a few days
Each day we’ve thought of you
And wished with all hearts and soul.
That you could be here, too.
We know that God is all wise
And He never makes a mistake.
So go ahead and rest
We trust the Lord in all things.

~ Love, Your Grandchildren

To Our Brother

We have such happy memories of special times we’ve shared
Times that filled our hearts with joy, because you always cared.
We have such happy memories that always live and grow
To brighten up the days and months and warm them with your glow
We have such happy memories and each one’s filled with you
So we want to tell you, “**ShooBoo**”, we’ll always love you.

~ Love, Your Brothers and Sisters
