John 3:16 King James Version

16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

Temporary Farewell Poem

A limb has fallen from the African-rooted family tree.

I keep hearing a voice that says, "Grieve not for me.

Remember the good times, the laughter, the songs.

Continue my legacy; I'm depending on you.

Keep smiling, and surely the sun will shine between the skies of blue.

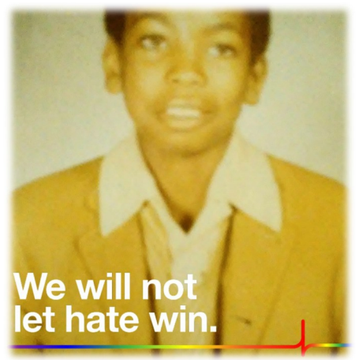

My mind is at ease, my soul is certainly at rest.

Remember all, how I truly was blessed.

Continue the traditions, no matter how small.

Go on with your life; don't worry about the falls.

I will miss you all dearly, so keep up your chin, until the day comes when we all meet again.

A Heartfelt Appreciation

No words can express how Loraine and Sheena Tindal supported Ronald in all his endeavors, dreams, and illnesses, right up to the moment the angels came to Room 2 at MUSC Hospital to set him free. They gathered information, photos, and more for this going-home celebration. Besides Jesus, my husband has been my rock throughout this process, and my children and their spouses also helped to find photos and recall precious memories of Ronald. We tried to capture him throughout his hallmark journey. He would be delighted.

In Loving Memory of Ronald Edwin Rose

Ronald Edwin Rose was born on November 12, 1959, in Sumter, South Carolina, to the late Keith Rose and Suzane "Mozelle" Rush Rose. As the youngest child of the their family, Ron was dearly loved and cherished by all who knew him. His infectious smile, hazel green eyes, easygoing spirit, and genuine love for people would become hallmarks of a life well-lived.

Raised in the close-knit community of Olanta, South Carolina, Ron attended Olanta Training (Elementary) School and later graduated from Olanta High School. Growing up, he developed a deep appreciation for family, faith, and hard work. Much of his youth was spent alongside his grandfather, Papa Rush, and his uncle, "Hambone" Ingram Rush, working the family farm. Whether tending crops, helping with tobacco harvests, or traveling to market auctions, these experiences instilled in him the values of perseverance, responsibility, and pride in honest labor that remained with him throughout his life.

Ron was full of energy and determination from an early age. A talented athlete, he excelled in both football and basketball and was known for his competitive spirit and teamwork. He was also active in the Boy Scouts and Clemson Extension 4-H Club, where he developed leadership skills and formed friendships that lasted a lifetime. Always striving to better himself, Ron continued his education at North Greenville College before attending the University of South Carolina in Columbia, where he earned an Associate Degree in Business Management.

With an adventurous spirit and a desire to forge his own path, Ron relocated to Dallas, Texas, where he built a successful career in the automotive industry as a Finance Manager and sales professional with Chrysler. His charisma, gift for conversation, and natural ability to connect with people made him exceptionally successful in his work. While in Texas, Ron became a devoted member of Friendship Baptist Church of The Colony, where he faithfully served and joyfully lifted his voice in the choir. Music was one of his greatest passions, and few things brought him more happiness than singing a favorite gospel song and sharing that joy with others.

Though life took him many places, South Carolina always called him home. Returning to his roots, Ron embraced his love for agriculture and became known for growing and selling fresh produce. Whether cultivating the land, sharing stories with friends, singing a song, or lending a helping hand, Ron found joy in life's simple blessings. He possessed a warm heart, a generous spirit, and a unique ability to make everyone feel welcome and valued.

Ronald's life was defined not by titles or accomplishments alone, but by the relationships he nurtured and the love he freely gave. He was a devoted son, brother, uncle, friend, and neighbor, whose laughter could brighten a room and whose presence brought comfort to those around him.

On Saturday, October 24, 2026, at 7:00 p.m., God gently called Ronald Edwin Rose from labor to reward. Surrounded by the love of his family during his final moments, he peacefully transitioned to eternal rest at MUSC Hospital.

While our hearts mourn his passing, we celebrate a life marked by faith, resilience, hard work, music, family devotion, and unwavering love. His memory will forever live on in the hearts of those who were blessed to know and love him.

"Well done, good and faithful servant."

Family Legacy

Ronald Edwin Rose leaves behind a legacy that cannot be measured by accomplishments alone, but by the countless lives he touched through his unwavering love, laughter, generosity, and devotion to family. Though he never had children of his own, he embraced his role as uncle, great-uncle, mentor, encourager, and friend with a love so deep that family members rarely distinguished between those titles. To many, he was simply "Uncle Ron," a constant source of wisdom, humor, support, and unconditional love.

Ron was preceded in death by his beloved parents, **Keith and Susane "Mozelle" Rush Rose**, and by his brother, **Daniel Tindal**, a well-known radio personality in the Florence, SC communities whose vibrant personality mirrored Ron's own gift for connecting with people. Ron shared a lifelong bond with his sister-in-law, **Janie Tindal of Florence, South Carolina**, who remained a cherished part of the family throughout the years. He treasured Daniel and Janie's daughters, **Loraine Tindall of Timmonsville, South Carolina**, and **LaSheena Douglas of Florence, South Carolina**, as if they were daughters of his own. He found great joy in watching the next generation grow through LaSheena's children, **DeJuan Douglas, Danielle Douglas, and Deanna Douglas**, each of whom brought him immense pride and happiness.

Ron is lovingly remembered by his devoted sister, **Dr. Audrey Deloris Rose McClary**, and her husband, **Clinton L. McClary, Jr.**, both retired educators of Gaffney, South Carolina. As the youngest sibling, Ron affectionately referred to Audrey as "Big Sis," a title spoken with admiration, affection, and respect. Their bond remained unshaken through every season of life, and her presence was a source of comfort and strength to him until his final moments.

He leaves behind a family that brought him endless joy and purpose. His eldest nephew, **Quantrel D. McClary** and wife **Chandra G. McClary** of Charlotte, North Carolina, along with their children, **Chandler Q. McClary** and **Kendall L. McClary**, were among those he loved dearly and celebrated proudly.

He is also survived by his niece **Yolanda McClary Lee** and husband **Talmadge M. Lee**, and their daughters., **Donneah Lee** and **Maechelle Locklear**, and their grandsons **Kaileel Crosby** and **Katryr Crosby** of Spartanburg, SC whom he adored.

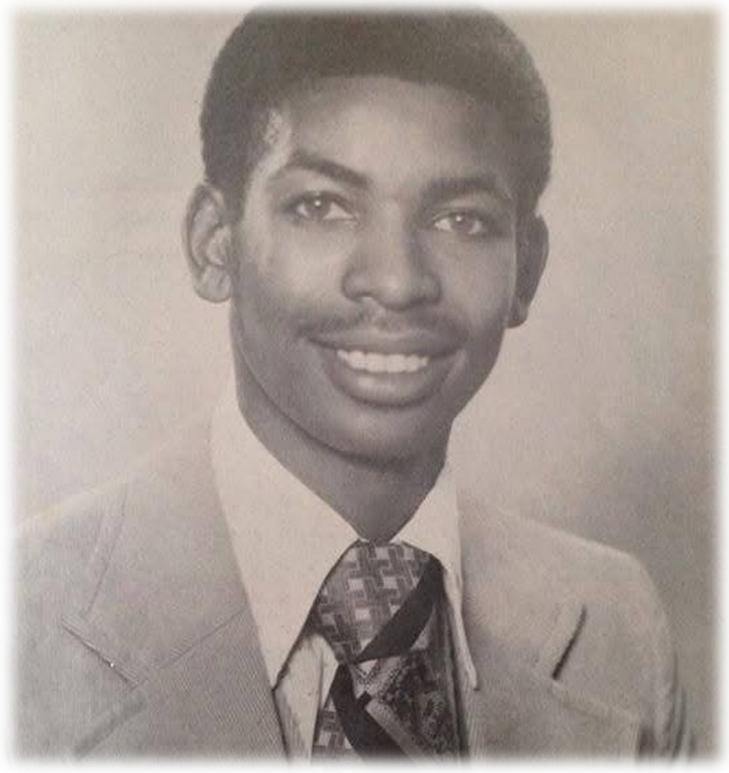

His niece, **Shamona McClary Fernanders**, and her husband, **Bobby L. Fernanders, Jr.**, of Gaffney, South Carolina, also survive him, along with their sons, **Bobby "Trey" Fernanders III** and **Connor T. Fernanders**. Ron took great pride in watching them grow and cherished every opportunity to spend time with them.

He is further survived by his nephew, **O'Shaughnessy H.C. McClary**, and wife **Shakira P. McClary** of Charlotte, North Carolina, whose love and affection brought Ron great happiness throughout his life.

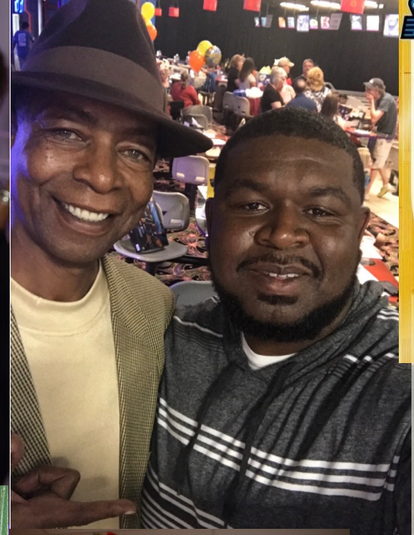

Family was Ron's greatest treasure. He never missed an opportunity to celebrate milestones, offer encouragement, provide guidance, or create lasting memories. From beach trips filled with laughter and dancing, to spirited card games where stories flowed as freely as the conversation, Ron had a remarkable ability to make every gathering unforgettable. He traveled thousands of miles over the years, often from Texas back to South Carolina, simply because being present for the people he loved mattered deeply to him.
