

You have left our lives, but you will never leave our hearts.

You Will Be Missed

A precious one from us has gone,
The voice we loved is still.
A place is vacant in our home,
Which never can be filled.
With no more pain you can breathe,
We love you but, God loved you best.
And now He has taken you home to rest,
Because our loving God always knows what is best.

In my father's house are many mansions, if it was not so, I would have told you.
I go to prepare a place for you.*
