

LET ME GO

When I come to the end of the road
And the sun has set for me
Why cry for a soul set free?

Miss me a little, but not for long
And not with your head bowed low
Remember the love that we once shared
Miss me but let me go.

For this is a journey we all must take
And each must go alone.
It's all part of the master plan
A step on the road to home.

When you are lonely and sick at heart
Go to the friends and family we know.
Laugh at all the things we used to do
