I Never Left You

I watch you every day
I am always very near
I know deep in your heart
You realize I am here.
I watch you while you sleep in your bed at home
I hear you when you speak to me
When you are on your own
You cannot understand the reason why I have gone
But I will never leave you.
I am there to keep you strong
Talk to me I hear you
Though you may not see
We share an unbroken bond
That will always be
Death wont keep us apart
For our love is forever
Just remember me in your heart
And one day we will be together
Live your life and live it full
Don't waste a single day
Remember I am always with you
Every step of the way.

Thank You

Your words have comforted us, your support has strengthened us, and your love has sustained us.

We extend our deepest thanks to you for your kindness during our greatest sadness. We appreciate it more than words can express and it will always be remembered.
