A Fallen Limb

A limb has fallen from the family tree.
I keep hearing a voice that says,
"Grieve not for me.
Remember the best times,
the laughter, the song.
The good life I lived
while I was strong.
Continue my heritage,
I'm counting on you.
Keep smiling and surely
the sun will shine through.
My mind is at ease,
my soul is at rest.
Remembering all,
how I truly was blessed.
Continue traditions,
no matter how small.
Go on with your life,
don't worry about falls.
I miss you all dearly,
so keep up your chin.
Until the day comes
we're together again.

(To My Daughters) I Never Left You

I watch you every day
I'm always very near
I know deep in your heart
You realize I am here

I watch you while you sleep
In your bed at home
I hear you when you speak to me
When you're on your own.

You cannot understand
The reason why I have gone
But I will never leave you
I'm always there to keep you strong.

Talk to me I hear you
Though you may not see
We share an unbroken bond
That will always be.

Death won't keep us apart
For our love is forever
Just remember me in your heart
And one day we will be together.

Live your life and live it full
Don't waste a single day
Remember I'm always with you
Every step of the way
