

He Is Gone

*You can shed tears that he is gone
Or you can smile because he has lived.*

*You can close your eyes and pray that he will come back
Or you can open your eyes and see all that he has left.*

*Your heart can be empty because you can't see him
Or you can be full of the love that you shared.*

*You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday.*

*You can remember him and only that he is gone
Or you can cherish his memory and let it live on.*

*You can cry and close your mind, be empty and turn
your back
Or you can do what he would want:
Smile, open your eyes, love and go on.*
