An Angel Called "HUSBAND"

God blessed and sent me to an angel called husband.
Someone loving to stand by me in the good and not so good times.

Someone sacrificing, who provided for me
even if he had to do without himself.
Someone wise who saw what I was unable to see
in situations and especially in people.
Someone who gave advice generously, even when I did not want it
and usually, often to my dismay, ended up being right.
I want to thank that someone for all he did, all he has been.

Most of all, I want to thank God for blessing me with such a
wonderful friend to help me in my journey through life.
Thank you, Heavenly Father,
For my own personal Angel,
My Husband, Bob Murray!
