Mama

We may weep for a while because we will miss your smile.

You loved and cared for us —

That we know because you never hesitated to let it show.

You disciplined, laughed, prayed, and saw us through

Our growing pains, trials, and tears over the years.

Mama, we will miss you,

but we know that our work is not through.

We will draw upon the strength that you displayed.

We will continue our walk and in the Lord we will dwell.

Mama, accept your reward

And continue to rest in the presence of the Lord.

Acknowledgement

We wish to express our profound and sincere appreciation for all your acts of kindness shown during the passing of our beloved. It is through your love, prayers, and the grace of God that we find strength and comfort. My God bless and keep you all.
