

## MY HERO

You held my hand when I was small  
You caught me when I fell  
You are the hero of my childhood  
And my later years as well  
And every time I think of you  
My heart still fills with pride  
Though I will always miss you Dad  
I know you're by my side  
In laughter and in sorrow  
In sunshine and in rain  
I know you're watching over me  
Until we meet again.
