

Footprints

One night, I had a dream
I dreamed I was walking along the beach with the Lord
And across the sky flashed scenes from my life,
For each scene, I noticed two sets of footprints;
One belonged to me and the other, to the Lord.
When the last scene of my life flashed before me
I look back at the footprints in the sand.
I noticed that many times along the path of my life,
There was only one set of footprints
I also noticed that it happened at the very lowest
And saddest times in my life.
This really bothered me, and I questioned the Lord about it.
“Lord, you said that once I decided to follow you,
You would walk with me all the way,
But I have noticed that during the most troublesome times in my life,
There is only one set of footprints.
I don’t understand why, in times when I needed you most,
You would leave me.”

The lord replied, “My precious, precious child,
I love you, and I would never, ever leave you
During your times of trial and suffering
When you saw only one set of footprints,
It was then that I carried you.”
