Her Faith
AND THE NUMBER
SEVEN

The love you gave left an imprint on her heart as a symbol of peace. The number seven represents our faith and is a sign from God, showing us how to navigate this world from here on. She was also a child of Seven. She leaves behind her brothers and sisters; there are seven children born to her mother and father.

Her passing was on the 7th day of September, a day that reminds us of the power of faith, the completion of a cycle, and the promise of eternal life.

Matthew 25:23

"Well done, my good and faithful servant. You have been faithful in handling this small amount, so now I will give you many more responsibilities. Let's celebrate together!"

2 Timothy 4:7-8

"I have fought the good fight, I have finished the race, and I have remained faithful."

– Forever in our hearts –

Her strength, love, and faith will continue to guide us.

Reflections

Dalila Flores Colon was born on September 4, 1962, in Cayey, Puerto Rico, to the late Nicanor Flores and Arcardia Colón. She entered her heavenly home on Monday, September 7th 2026.

Dalila was a devoted mother and grandmother who always made sure her children had everything they needed, no matter the sacrifices she had to endure. She taught her children to love God, to be honest, and to always have faith.

Dalila was a child of God whose faith and trust in God kept her strong. She was a warrior of God whose faith spread His word to her children and to anyone she came in contact with.

She was our Wonder Woman - the person who showed us how to strive no matter the situation. Her strength and her faith gave us hope that we could overcome anything possible.

Dalila was preceded in death by her father, Nicanor Flores, her mother Arcardia Colon; and her grandson l, Ishmael Flores.

She is survived by her children: sons Jose Claudio, Edwin Flores, and Ricardo Franco, and her daughter Carol Morales; her grandchildren Giella Diaz, Ricardo Franco, Jr, Amarie Franco, Noah Franco, and Reina Franco; her brothers and sisters, her nephews and her nieces and many other family members.
