Recessional.....	Mr. Charles Little, Jr.

## Obituary

Kimberly Elaine Campbell meant the world to so many people. As a daughter, sister, mother, grandmother, aunt, niece and loving friend, she touched us all with her loving spirit. Following an extended illness, Kim passed away peacefully on Wednesday, July 3, 2024, at the age of sixty-five, in the loving presence of her daughter and a devoted caregiver.

Born in Versailles, KY, Kim lived a full life. She possessed a warm nature, a vibrant spirit, and a wonderful smile!

Kim was educated in the Woodford County Public Schools and accepted Christ at an early age. She became a member of First Baptist Church and loved church and the fellowship she received in God's house.

With a career in the hospitality industry, coupled with her hard work ethics and commitment, Kim rose to the position of restaurant manager for McDonalds, in North Carolina.

A woman of many interests, Kim loved cooking and was known to make some creative and delicious meals! With her zest for life, sharp mind, and competitive spirit, she was always ready for a good game of billiards and a 'smack down' game of SPADES!

Kim was predeceased by her parents, Dorothy Louise Campbell and Charles McGraph, along with two nephews, Brian A. Campbell and Anthony L. Campbell, (surviving children Teairra D. Campbell and Ja'Quan Maliki Thornburgh).

Kim's legacy continues through her son, Theodore "Ted" Campbell and daughter, Synova R. Campbell. She was a proud grandmother of three: Robert W. Crosby, Aria S. Campbell, and Emiliano X. Campbell. She leaves behind to cherish her memory a devoted sister, Pamela Ann Campbell (Carl Smith); an aunt, Mary Francis Howard, and numerous cousins and friends. Also special family members Sherlene Hassan (Jerry), JoAnne Muir (Greg), Donna Campbell and Brittany Campbell. Kim will be deeply missed but her legacy will live on in the hearts of those she touched. May she rest in peace!

“To describe my mother would be to write about a hurricane in its perfect power. Or the climbing, falling colors of a rainbow.”  
— Maya Angelou
