"My Journey To Heaven Is Over"

My Journey To Heaven Is Over The Trials of this life are through
The arms of Jesus await me To Take me to glories brand new
So Don't let your weeping continue The face of my Lord I now see
I'm reaping the victory of Calvary Through death's door I am free
Sing songs of joy to proclaim The father and Jesus my King
His love and peace everlasting This song forever I'll sing.

Broken Chain

We little knew the day God was going to call your name.
In life we loved you dearly. In death we do the same.
It broke our hearts to lose you but you didn't go alone.
For part of us went with you the day God called you home.
We're left with beautiful memories. Your love is still our guide,
And though we cannot see you. You are always at our side.
Our family chain is broken and nothing seems the same,
but as God calls us one by one the chain will link again
