*“I Am Free”*

Don't grieve for me, for now **I'm free.**  
I'm following the paths God made for me . I took his hand. I heard him call.  
Then turned, and bid farewell to all. I could not stay another day to laugh, to love, to sing, to play .Tasks left undone must stay that way. I found my peace at the close of day and if my parting left a void then fill it with remembered joy.  
A friendship shared, a laugh, a kiss, all, these things I too will miss. Be not burdened deep with sorrow I wish you sunshine tomorrow. My life's been full.  
I've savored many good friends, good times, and a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with grief. Lift up your hearts and share with me, God wants me now ...  
He set me free
