From the Family

Mom/Grandmom,

You were the rarest gem on this Earth. To know you was to know God’s love. You embodied the fruits of the spirit, and always reminded us of the One Who had the only and greatest plan for our lives. You were the sweetest, kindest, and most humble soul and we are blessed to have been loved by you. The world is a little less bright without your smile, but we look forward to seeing it again one day when you welcome us Home.

You will forever be missed! - Your Blessed Family

Acknowledgments

The family wishes to express our greatest appreciation for the many expressions of love, concern and kindness shared and shown during this celebration of life. We also thank all care providers of The Gardens of Trent and Bayview Nursing and Rehabilitation for their attention to Mom’s care and needs during her residency.

Life of Mamie Louise Bryant Carter

Mamie B. Carter, was born to the Blessed parents, the late Mrs. Edna M. Bryant and the late Mr. James Bryant Jr. in 1942. Their only and beloved child, Mamie grew up in the Pembroke Community and her educational journey included J. T. Barber High School, Craven Technical Institute (Practical Nurse), Licensed Practical Nurse (LPN), Raleigh, NC and Craven Community College (Childcare Credentials I & II).

Raised in a Christian home, Mamie's early life was shaped by the influence of Godly grandparents, aunts, cousins, and neighbors. Her spiritual journey began at an early age, and she dedicated herself to the Lord the same. Her desire to pursue nursing as a profession was born out of her passion for helping others and being in a position to witness the goodness of God.

After obtaining her LPN credentials, Mamie served as a beacon of comfort and care, touching the lives of countless individuals with her unwavering commitment to healing. Her empathetic nature and skillful expertise were not merely attributes of a job but reflections of a calling. From the tender care extended to patients to the encouragement shared with colleagues, she left an indelible mark on the healthcare community. Her legacy is one of selflessness, kindness, and the tireless pursuit of easing the burdens of others. In the tapestry of her career, she wove threads of healing, hope, and humanity, creating a lasting impact that will be cherished in the hearts of those she served and alongside the memories of her compassionate service.

Though fulfilling, Mamie eventually pursued a deeper life's calling. Immersed in an environment of ministry, her life more truly resonated with the melodies of faith. From her early days in the Junior Choir to later joining various church groups, she actively and consistently participated in the worship community. Under the leadership of Rev. V. A. White and Rev. C. D. Maye, of Little Rock Missionary Baptist Church, she flourished in her spiritual journey, eventually receiving her Missionary License.

Answering God's call to preach in 1998, Mamie embraced the symbol BMW, Be My Witness, using it as a beacon to share His word. She touched lives through singing, teaching, preaching, and establishing a Christian Home Day Care. She also provided adult classes where young mothers were able to attend and be witnessed to. She continued to be a faithful witness in close and distant places.

Evangelist Mamie B. Carter faithfully served God at New Jerusalem Outreach Mission under the guidance of Pastor Evangelist Elsie Nolan. Her journey reflected the Glory of God, always acknowledging Him as the King of Kings and Lord of Lords forever.

Her journey of service to God, family, and community was gracefully concluded on Thursday, January 11, 2024. She was a loyal wife to the recently departed Mr. Willie W. Carter Sr., a devoted mother to three Blessed children, Patricia, Willie Jr. (Errieta), and the late James "Jimmy" (Monica). She was also a proud grandmother to four Blessed, beautiful grandchildren: Kareena, DaMonta, MaDonta, and Ermis. As she radiated love and warmth, she was also surrounded by a Blessed family of in-laws, nieces, nephews, and cousins.
