

The Road

I lived my life the best I could,
I chose my path just like I should.
The road has ended now you see,
My soul and spirit have been set free.

Those I left behind to mourn,
The ones I've helped and watched be born,
My children I loved and cherished so much,
The ones I leaned on, they were my crutch.

They were there in the past few days,
For the late night visits and overnight stays,
Now I must travel this road alone,
With nothing to carry, just these old bones.

Remember me for the good times and bad.
Remember the smile I always had.
These are the things to remember me for,
I gave all I had and so much more.

Appreciate the things that life have to give,
You only have the one life to live.
So take the time to live it right,
Then you can see God's heavenly light.
