

To My Beloved Son

In the depths of sorrow, we find our way,  
Through the darkest night, we seek the day.  
Though you are gone, your spirit remains,  
In our hearts forever, your love sustains.  
Baby boy since the day you left my heart was shattered.

We remember your laughter, your vibrant smile,  
The way you made every moment worthwhile.  
Your absence is felt, a void in our lives,  
But your memory lives on, as love survives.

We cherish the moments we had with you,  
The joy and the laughter, the dreams that came true.  
Though you were taken from us far too soon,

You were a son, a brother, a friend so dear,  
Your presence brought comfort; your absence brings tears.  
You will be missed but the memories of you will always be in my heart.

This is not saying goodbye, it is just simply saying so long for now  
until we meet again.

We hold to the hope; finding solace in knowing that we will  
meet again one day. Yes, we will meet again.

Mom
