

Letter from Bernard

My life here on earth was cut short. However, I met such wonderful friends like you. I don't know what I would have done if you were not in my life. The Halloween parties, the gathering of friends, playing games, BBQs and eats (even though at times I could not eat). Jake and Amanda thank you for letting me stay at your home; I felt comfortable there with you both. Jake, you've been my brother since we were 4 years old, my first real friend.

To "All" my brothers and sisters (I see Mom has seated you together), I was not ready to leave but God had a different plan for me. Thank "All" of you for being my friend and taking care of me when I did not feel well. Thank you for inviting me into your home and family, it meant so much to me. I love you all, don't forget me – I will be listening! Nard...

Note of Thanks

Words cannot express how we feel toward each of you for all you have done, especially for Bernard. Being there for him, talking with him – he knew you were there! Thank you for all you did for us also. We love you all so very much. – Terri & Calvin
