When Tomorrow Starts Without Me

*When tomorrow starts without me and I'm not here to see
 If the sun shall rise and find your eyes all filled with tears for me,
 I wish so much you wouldn't cry the way you did today,
 While thinking of the many things we didn't get to say.
 I know how much you loved me, as much as I loved you
 And each time that you think of me I know you'll miss me, too.
 But when tomorrow starts without me, please try to understand
 That an angel came, called my name, and took me by the hand.
 And said my place was ready in heaven far above
 And that I would have to leave behind all those I dearly love.
 But as I turned to walk away, a tear fell from my eye.
 I had so much yet to do, it seemed almost
 impossible that I was leaving you.
 I thought of all the yesterdays, the good ones and the bad.
 I thought of all the love we shared and all the fun we had.
 If I could relive yesterday, I thought for just a while,
 I would say good-bye and kiss you and maybe see you smile.
 But when I fully realized that this could never be
 For emptiness and memories would take the place for me.
 So when tomorrow starts without me, don't think we're far apart,
 for every time you think of me, I'm right here in your heart.*
