## IN MEMORY

God knew that she was tired, and a cure was not to so  
He put His arms around her and whispered, “Come to me”  
A golden heart stopped beating  
Her working ands is laid to rest  
He broke our hearts to prove that  
He only takes the best.

## SMILE WITH ME

Smile, for I am smiling  
Sing, for I am singing a new song  
Please shout, for I am shouting for joy  
Keep the faith, and pray for your love ones all day  
Most of all, speak life into their souls  
Do not cry for me  
I have made it in  
Hold on to God, and let Jesus save you from yourself  
One day you will transition just like me, and  
I will see you again in heaven.
