I'm Free

*Don't grieve for me for now I'm free,
I'm following the path God laid you see
I took his hand when I heard him call,
I turned my back and left it all*

*I could not stay another day,
To laugh, to love, to work, to play
Tasks left undone must stay that way,
I found that peace at the close of day*

*If my parting has left a void,
Then fill it with remembered joy
A friendship shared, a laugh, a kiss,
Oh yes, these things I too will miss.*

*Be not burdened with times of sorrow,
I wish for you the sunshine of tomorrow
My life's been full, I've savored much,
Good friends, good times, my loved one's touch*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief
Lift up your hearts, and peace to thee,
God wanted me now, He set me free.*

Grandma

I'm gonna miss you Grandma
I needed much more time
To cuddle up beside you
And hold your hand in mine

I miss how you would light up
When I'd come through your door
There'll never be another
Who'll ever love me more

You never sought to fault me
or judge me in anyway
Never said a hurtful word
When I would fall astray

Some might say you spoiled me
And maybe, yes, you did
But you did so much more than that
For this young wayward kid

This stanza I redacted to help
prevent plagiarism of my copyrighted work
see description for more info

I know that you are happy
Engulfed by love and light
That offers me some solace
In time, I'll be alright

Thank you for the love you gave
Here's love and kisses too
Please keep watching over me
Till I can be with you . . .
