Tributes

I Listen For Your Steps Upon the Floor

I listen for your steps upon the floor. They say that you are sleeping far away. I wish that you could come back here and play. I am only four years old and small, I still need your big hands to catch my ball. I need you to hold me when I cry and wave hello up to the sunny sky. Mommy says your love is here inside. Right where my tiny heart can hide you are my shining star up high, I send a little kiss into the sky. I'll always be your little girl. My daddy in this big wide world.

Love you Daddy,
Quin'nyah

The Moment You Left Me

My heart split into. One side filled with memories, the other side died with you. I often lay awake at night when the world is fast asleep, and take a walk down memory lane with tears upon my cheeks.

Remembering you is easy. I do it everyday, but missing you is a heartache that never goes away. I hold you tightly within my heart and there you will remain. You see life has to go on without you, but will never be the same.

Love Always,
Victoria

I'm Free

Don't grieve for me now, for now I'm free. I'm following the path that God laid for me. I took His hand when I heard Him call. I turned my back and left it all. I could not stay another day; to laugh, to love, to work or play. Tasks left undone must stay that way. I found that peace at the close of day. If my parting has left a void, then fill it with remembered joys. A friendship shared, a laugh, a kiss, oh yes, these too I will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life's been full; I have savored much, good friends, good times, a loved one's touch. So, lift up your hearts and share with me. God has me now.

He's Set Me Free

~Love, Quin

Gone But Not Forgotten

You were always there for us and we were there for you. To you family, you remained true. Your work is done, your time on earth complete. The time has come for you to take your heavenly seat. No more pain or sorrow beyond the pearly gates, the path you walked was narrow and straight. Well done, well done, they good and faithful soul, The Lord has stretched out His hand, please take hold. We learned a lot from you, you gave your best. It is okay now for you to rest. We love you very much. You will always be remembered as a loving father, son, brother, uncle, cousin, and friend- sweet and tender.

Love Always, Your Mother, Brothers & Sister
