Loving Memories

*In the quiet of the morning light,
A soul departed, taking flight.
With memories woven in tender grace,
We gather here to honor their place.*

*A life well-lived, with laughter and tears,
Through all the seasons, through all the years.
With kindness shared and love bestowed,
Their spirit lingers, a gentle ode.*

*Though gone from sight, not from our hearts,
In every story, her light imparts.
We hold her close, in shadows and sun,
A cherished journey, though now it's done.*

*So let us remember, with smiles through the pain,
The joy she brought, like a soft summer rain.
In each whispered memory, her essence stays,
Forever in our hearts, through all of our days.*
