*"Our family chain is broken and nothing seems the same,
but as God calls us one by one the chain will link again."*

FOR A SECOND YOU WERE FLYING

For a second you were flying
Like you always wanted to
Now you'll fly forever
In skies of azure blue
We'll see your smile in every ray
Of sunshine after rain
And hear the echo of your laughter
Over all the pain
The world's a little quieter now
The colours have lost their hue
The birds are singing softly
And our hearts are missing you
Each time we see a little cloud
Or a rainbow soaring high
We'll think of you and gently
Wipe a tear from our eye.
