

MY SON IN HEAVEN

They say there is a reason
They say time will heal
Neither time or reason
Will change the way i feel

Gone are the days
We used to share,
But in my heart
You are always there
The gates of memories
Will never close

I miss you more than anybody knows
Love and miss you everyday
Till we meet again

ALWAYS & FOREVER

THE CARDEN

God looked around his garden
and found an empty place
He then looked down upon the Earth
and saw your tired face
He put his arms around you
and lifted you to away
With the help of his angels
they flew you to your heavenly place.

BELIEVE IN GOD

Do not let your hearts be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me so that you also may be where I am.

- JOHN 14:1-3 -
