"Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest." Joshua 1:9

Obituary

Earl attended Raleigh High School. Earl excelled in many different pursuits throughout his life. However, he enjoyed working on automobiles and it became his chosen profession. He spent a lot of his time, enjoying family and friends. He dedicated all of his efforts to ensuring his family and friends knew he loved them. Whether through his time or simple acknowledgement, he reassured them, they were welcome.

His parents, Mr. Artis and Mrs. Barbara Page, and his grandparents preceded him in death.

He leaves his wife, four children, and six grandchildren to cherish his memory. His siblings, Linda Kelley (Marvin), Henry Page (Breezy), and Victoria Page (Lonnie). Aunt Dorothy Foster and Bessie Bryson. His brothers-in-law, Jamaal (Jennifer) Keyes and Trevon (Karissa) Keyes. Special friends: Thomas Keyes, Dontrell Walker, Terrence "Skeet" Bouvay, Wayne "Duck" Harvey, and Roderick "Rod" Beasley. He has a host of nieces and nephews, cousins, family, and friends.

*In my
Father's
House
are many
mansions;
if it were not so, I
would have told you.
I go to prepare
a place for you.*

John 14:2

Tribute of Love

loved you like you loved me, fiercely and passionately. You became my every when it was needed the most. Life happens and LOVE happens too. You cannot have one with the other. You traveled through this journey as far as you could go. You understood my pain and loved me despite it. You went from being my shoulder to becoming my chest. I love you! I bless your spirit knowing you are free.

I love you! I love you!
My Love you are Free
Love Always

Sometimes, we find love and support in the unlikely places. You stepped into the role of a father insuring I was safe and secure growing up, you made me feel at ease. You loved me like a daughter and loved you like a father. Dads are not always biological Dad, your love and support was unmatched. You believed in my abilities you celebrated my accomplishments. Most importantly, I was your baby girl you would always believe in me. I love you, Dad, until we meet again.

Forever in my heart, you will be.

In Loving Memory
Of a special
Step-Dad

The day you left and gained your wings my heart just broke in two
I wish you could have stayed with me but Heaven needed you, you left me with the memories
and I love you dearly still no matter how much time goes by, you know I always will
You were a very special person with kindness in your heart and the love we had together
grows stronger now we're apart I know I cannot bring you back although, I wish it everyday
but a piece of me went with you the day you went away.

Love Always,
Chaz

Roses are red and daddy you love blue
Through my heart will always be you!!
I appreciate how you taught me to be a better man..
Jaleel (Son Son)

Letting Go

The angels gathered near your side, so very close to you.
For they know the pain and suffering, that you were going through.
I thought about so many things, as I held tightly to your hand.
Oh, how I wished that you were strong and happy once again.
But your eyes were looking homeward, to that place beyond the sky,
Where Jesus held his outstretched arms it was time to say good-bye.
I struggled with my selfish thoughts because I wanted you to stay.
So we could walk and talk again, like we did... just the other day.
But Jesus knew the answer, and I knew you loved him so,
So I gave you life greatest gift the gift of letting go.
I love you daddy— forever your Baby girl

If Roses Grow In Heaven

If roses grown in Heaven Lord please pick a bunch for me.
Place them in my brother's arms and tell him they're from us.

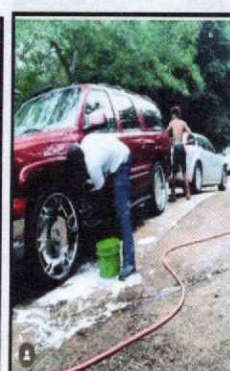

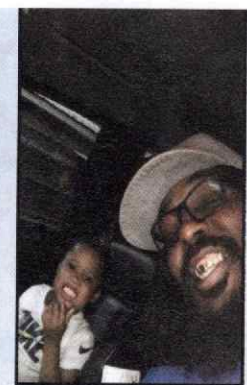

Tell him that we love and miss him and when he turns to smile,
place a kiss upon his cheek and hold him for awhile.
Because remembering him is easy. We do it everyday.
But there is an ache within our heart. That will never go away.

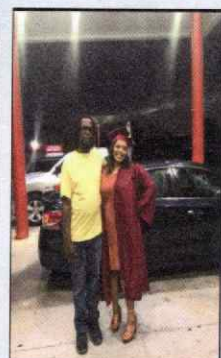

Linda, Henry, and Victoria

You Never Said Goodbye, you never said I'm leaving
You never said goodbye, you were gone before we knew it.
And only God know why. A million time we needed you.
A million times we cried if love alone could have saved you
You never would have left us. In life we loved you dearly,
In death we love you still in our heart you hold a place
That no one could ever fill. it broke our heart to lose you,
But you didn't go alone for part of me went with you
The day God took you home. Your Legacy will continue

Love Always,
Your nieces and nephews
