*My better half
Take your rest my love.
I know that you were tired.
Losing you, I lost myself.
In darkness so deep.
I try to find light, just enough to hold on.
Let me cry but
I know this is not our final good bye.
Always & Forever
Your better half*

*a devoted wife that needs you to carry on
a loving sister that alone knew our struggles
a caring mother, aunt, friend
it was my duty to go, of that I am certain
know that I am at peace and didn't suffer
know that you all meant the world to me*

A Letter from Linda

I've Earned My Wings

**don't ask me why I left today, instead
remember what a glorious life I lead
the beautiful times we shared together**

**all these tears being shed remind me
I am loved, that we are human, we grieve
a better question is where am I going**

**now look around at these beautiful children
and know without doubt I am a part of them
an essence that guides them on their journey**

**don't ask me why I left today, instead
wish me safe passage on my new venture
be strong for me, remember all I was:**

**a devoted wife that needs you to carry on
a loving sister that alone knew our struggles
a caring mother, aunt, friend**

**it was my time to go, of that I am certain
know that I am at peace and didn't suffer
know that you all meant the world to me**

*To our be loved sister
We never saw your wings,
surround me in my saddest moments
and my happiest times.
always our sister forever my angel
your in our arms
but in my heart. and
god will always be our angel eternal.*

Love Victoria & Henry

To our Aunt Jean Jean

**you will be truly missed
but our love will continue to grow.
We gonna miss hanging out with you
and you would sit and listening to our shenanigans.
Gonna miss coming to visit
the place where we can get a
Sunday meal any day of the week.
Look over us Aunt and tell our love ones in heaven hello.**

*Love Always,
your nieces & nephews*

My Mother kept a garden.
A garden of the heart;
She planted all the good things,
That gave my life it's start.
She turned me to the sunshine,
And encouraged me to dream:
Fostering and nurturing
The seeds of self-esteem.

And when the winds and rains came,
She protected me enough;
But not too much, she knew I'd need
To stand up strong and tough.
Her constant good example,
Always taught me right from wrong;
Markers for my pathway
To last my whole life long.

I am my Mother's garden,
I am her legacy.
And I hope today she feels the love,
Reflected back from me.

Love your daughter Miranda

Guiding Light Mom

Jean Jean,
from the time I was really young,
I realized I had someone...you,
who always cared,
who always protected me,
who was always there for me
no matter what.
You taught me right from wrong,
and pushed me to do the right thing,
even when it was hard to do.
You took care of me when I was sick,
and your love helped make me
well.

You had rules,
and I learned
that when I obeyed them,
my life was simpler, better, richer.

You were and are
the guiding light of my life.
My heart is filled with love for you,
my teacher, my friend, my mother.
Get your rest I'll be just fine.

Love your son
Nick Nick
