Tribute of Love

Gone Too Soon

My child, gone to soon-
Your brief life a flickering candle
That lit my world before being snuffed out.
I cling to memories like lifelines-
Your sweet smile, your joyful laugh-
Etched on my heart forever.
Filling the vacuum of your loss.
My precious one, though far from sight
Your spirit lives within my sorrow,
Turning grief's bitter cup to wine,
Reminding me-
Love is stronger than death,
Legacies matter more than the length of days.
So I'll carry your memory always.
Letting your brief light
Continue shining within me,
Guiding me home.
Love Always,
Mom

Grandson

Always Loved and Sadly Missed

You were the center of our world, A grandson held so dear; But
now that world is shattered And you're no longer here. But all
you need to know today is how much joy you brought You bright-
ened every moment Though your life was far too short. You were
loved completely From the day that you were born And no one
could imagine Such a dreadful day would dawn. But memories
are wonderful And though they still bring pain They give us hope
and keep us strong Until we meet again.

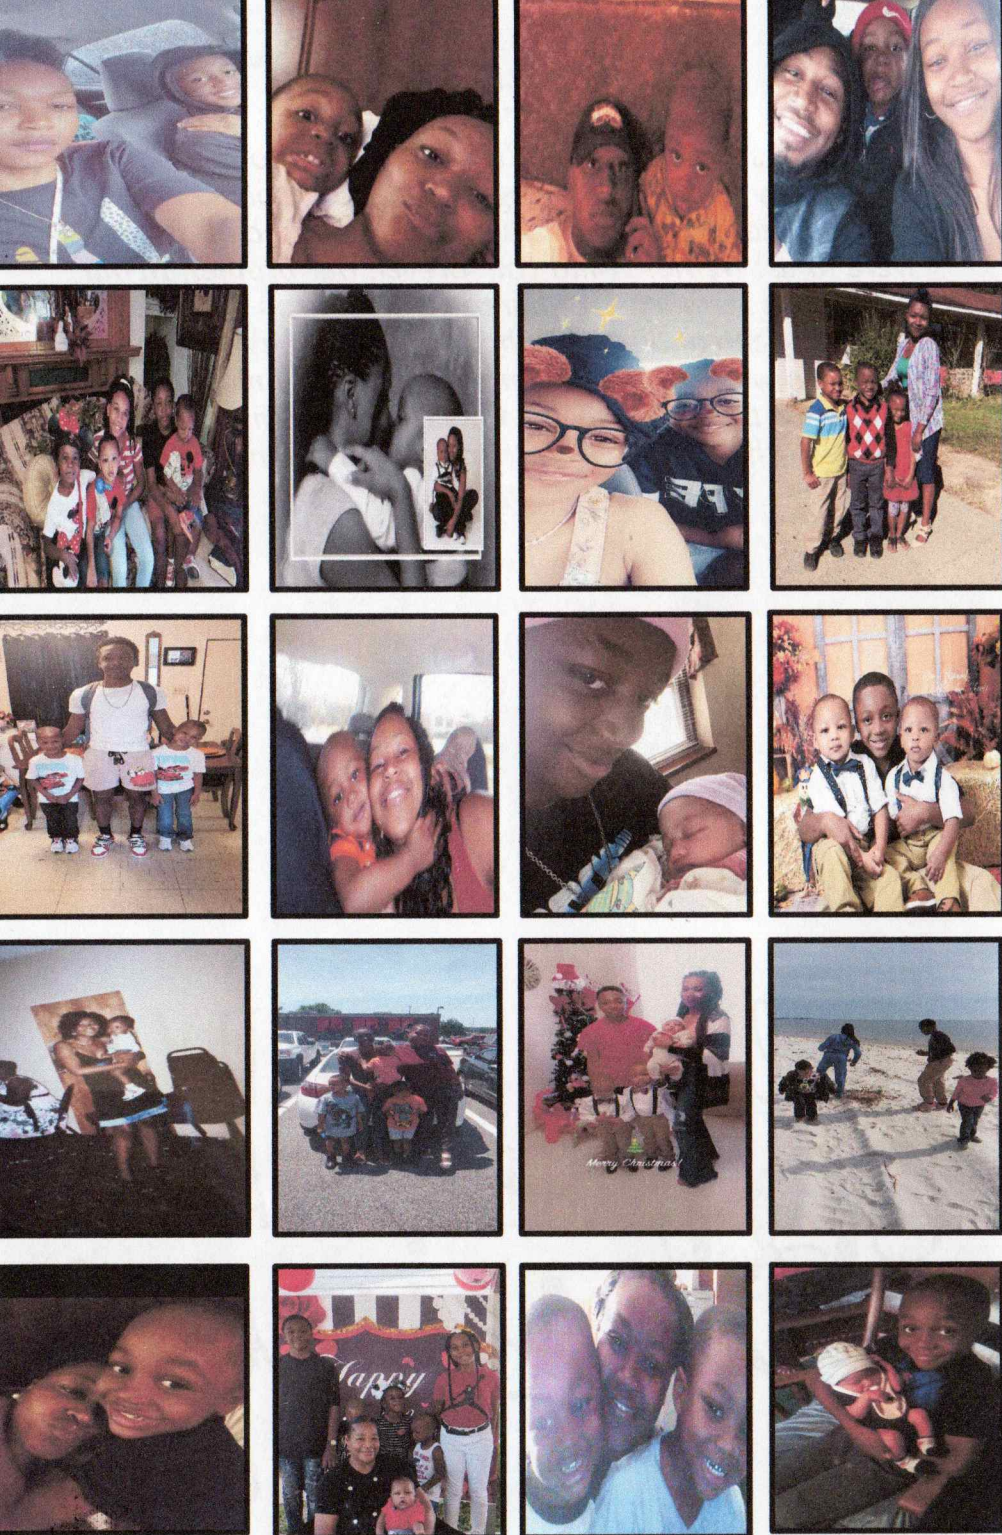

Love Always,
Wayne and Bulah

For Our Brother

No sadness can compare To this, our precious brother.
But today the choirs of angels sing To welcome in an-
other. There is no one else on earth So special as you
were to us. We hold onto you forever; our brother, In our
heat and memory. We shared something so special, A
bond so deep and true, Nobody else could ever make us
smile so well as you. We know that we will meet again,
We know this is not the end. Rest Softly from now until
that day Our brother, our best friend.

Love Always,

The love of a FAMILY is
LIFE'S GREATEST

I Never Said Good-Bye

***I never got the chance to say I love you,
I never got the chance to say I'll miss you.
Nobody told me that you were going to die,
It hurts, I never said GOOD-BYE.***

***Where are you now, please talk to me,
Show yourself and let me see.
I know that can't happen no matter how much I try.
All I wanted to do it say GOOD-BYE.***

***I hope that you are happy wherever you are,
I have you in my heart no matter how far.
To the heavens above, I wish I could fly,
Only to give you a warm GOOD-BYE.***

***I will remember you each day that I live,
You were such a good person with so much to give.
Such a privilege to have known you, no one can
deny, I think it might be time to say GOOD-BYE.
I will keep with me the good times that we shared,
I want you to know just how much I really cared.
Till we meet again, on God we must rely,
I love you, I miss you and for now, GOOD BYE.***

***Love Always,
Antwon Thames***
