

Growing up, I looked up to Auntie Bev! She moved with such style and grace and, hands down, was the most remarkable person I knew! She ensured that every time I was around her, I was dressed to the 9s! One of the reasons why I wanted my 1st dog (Toby) is because I saw Bev with her dog, Ebony! Auntie Bev was full of love. She helped to teach me the power of grace, resilience, and unconditional love. And although I will genuinely miss Bev, I can find comfort in knowing that her spirit is at peace. Auntie Bev was indeed a gift, and I am forever grateful to have been loved by her.

Bev, when I think of you the first thing that comes to mind is elegance and grace. As your niece, I have always admired you. The sweet memories and the long conversations that we shared will forever be cherished. I am forever grateful for the unconditional love and support that you gave to me. Sleep on My Spelmanite. I'll love you forever, Your Niece Tina

CELEBRATING THE LIFE OF

Ms. Beverly A. Moultrie

Beverly Anntionette Moultrie was born on June 10, 1961 to Robert Sanford Moultrie, Jr. and Ardemra Oliver Moultrie in Albany, Georgia. She was the eighth child of nine, and third daughter. She joined the Friendship Baptist Church in her youth and remained an active member for many years.

Beverly attended River Road and West Town Elementary Schools, Merry Acres Middle School, and graduated from Albany High School in 1979. In high school, she excelled academically and was voted a senior superlative.

She followed her brother Michael to Atlanta for college and graduated from Spelman College with a Bachelors of Arts Degree in English in 1984. Post College, Beverly's first job was with the Albany Urban League. Next, she indulged her passion for fashion as a buyer for Macy's in Glenarden, Maryland.

Upon returning to Albany, she found employment and her true calling as a Field Representative for the Georgia Council of Juvenile Court Justices for 14 years. She was a strong and determined voice advocating for Georgia families and children. Using her God-given gift for articulation, she convened citizen panels to provide feedback to the judges making life-altering decisions on adoptions and foster care placements. Her impact will be felt for generations.

She loved her family and friends, and she was always blessing others with birthday cards and sometimes with just because "I Love You Gifts." She was always baking cakes, cookies, and cooking special recipes for them to enjoy. She expressed her love by giving of her time and talents.

Beverly departed this earthly life to begin celebrating her new life on Tuesday, January 21, 2025. Preceding her in death were her parents and brothers: Charles, Alton and Robert III and sister Yvette. She is survived by her brothers: Ferrell T. (JoAnn), Michael, and Marc A. (Melondy) and a sister, Sharon Edwards. Maternal Aunt, Glennelle O. God's Garden

BY MELISSA SHREVE

God looked around his garden and found an empty place,
He then looked down upon the earth and saw your tired face.
He put his arms around you and lifted you to rest.
God's garden must be beautiful, He always takes the best.
He knew that you were suffering, He knew you were in pain.
He knew that you would never get well on earth again.
He saw the road was getting rough and the hills were hard to climb.
So he closed your weary eyelids and whispered, 'Peace be Thine'.
It broke our hearts to lose you, but you didn't go alone,
For part of us went with you, the day God called you home.
