A PART OF ME

If I could, I would be sitting right there beside you. Helping you understand my homegoing, and hopefully guide you. Why, somethings in life will never go our way. It was God's plan all the time to make this my day. Sometimes our plans wasn't what we were to do. With all your love and prayers, you definitely helped me through one of my hardest times you could ever imagine. Why I had to leave you behind, because it was written: for you never know the day or even the hour that God would step in and show us His power. I know you are sad or even just feeling wronged. But look at how the Heavens open up just to take me home.

We knew this day was coming; we just didn't know what time. I believe you knew what was constantly on my mind. Would you be ok and everything else alright. Because this was God's plan for me and I definitely fought a good fight, you need not even wonder where I'll be. For wherever you are, you will always have a part of me.

Humbly written and submitted by Linda J. Floyd to my family in the loss of our one and only (Fats)

If *Roses* grow in *Heaven*

If roses grow in heaven Lord, please pick a bunch for me. Place them in my Mother's arms and tell her they're from me. Tell her that I love and miss her, and when she turns to smile, place a kiss upon her cheek and hold her for awhile. Because remembering her is easy, I do it everyday. But there's an ache within my heart that will never go away.
