Forever In Our Hearts

LETTER TO HEAVEN

I am writing you this letter to you up above, to tell you how much I miss you with all of my heart and love. I do not know why you had to go; it just wasn't fair. I am left with this sorrow, sometimes to much to despair. It is hard tonot touch you; it is hard to not see you. I wish so much to hear your voice JUST ONE MORE TIME. I hear you whisper inside my thoughts; I feel you around me. I know you live on, through those lives you have touched. I know someday I'll see you again. In my heart I'll hold you close, and keep you safe; until then keep sending me signs. Always remembered, always loved. From your loved ones you watch over from your world up above.

From Your Children

TO OUR GRANDMA

I really feel quite special that God chose you, to be a person in my life who knows me through and through. The time that we spent talking, I've always felt you heard. You've been so good at listening to each and every word. And even things I didn't share, you somehow heard them too. I think this was a special gift that God has given you. So I just want to thank you for being there for me. And showing me acceptance and love so totally.
