## IF ROSES GROW IN HEAVEN

If Roses grow in Heaven, Lord, please pick a bunch for me. Place them in my Daughter's arms and tell her they're from me. Tell her that I love her and miss her, and when she turns to smile, place a kiss upon her cheek and hold her for a while. Because remembering her is easy; I do it every day, but there's an ache within my heart that will never go away..

*Love your Mother*

## MY SISTER, MY FRIEND

I'm Blessed to call you sister; I also call you friend. You've loved me unconditionally, and stood through thick and thin. You've shared my joys and sorrows, my laughter and my tears. You've been my inspiration, as we grew up through the years. When we were little children, we laughed and played together. Then growing up you stood by me, through good and stormy weather. There's something God has given us, that's more than family; He's placed a love for you, my Sister, deep down in the heart of me.

## FOREVER IN MY HEART

Quasha, you were a wonderful blessing, a treasure from above...with laughter, warmth and special charm, thoughtfulness and love. No words can describe the warm memories, the pride, and gratitude too, that comes from have a granddaughter to love and cherish just like you. FOREVER IN MY HEART

*From Shirley Jackson, Grandmother*

## TO A LOVING COUSIN

Although our worlds are different now, or is that just how it seems. For I see you when I close my eyes because you're always in my dreams. I know you're up Heaven and looking down on me. And when I look up at the stars, I know that's where you'll be. Even though I miss you, you're not too far away. Because my heart is full of memories and I treasure them every day. Our time on earth was special, but it's only the very start. So please keep watching over me while we're not so far apart. Someday the time will come when I no longer feel this pain. That is the day when Heaven calls, and we will meet again.
