

TRIBUTES

Ma-Ma,

*I thought of you today,
but that is nothing new.
I thought about you yesterday,
and days before that too.
I think of you in silence,
I often speak your name.
Now all I have is memories,
and your picture in a frame.
Your memory is my keepsake,
with which I'll never part.
God has you in his keeping,
I have you in my heart.*

Your Boobee, Zaiden

The Heart of a Grandmother

To our grandmother, the love you gave us is priceless. There are no words to express how you sacrificed everything to give us the best. Your understanding and generosity showed in all that you would do and all of your grandchildren will surely miss you. The realization that you are in heaven now, gives our hearts peace, because God gained an angel that he will forever keep. Although our lives will never be the same. The legacy you have built will never change. Your faith in our Lord and Savior, Jesus Christ was everlasting. Your grandchildren shall uphold your belief in God in the same fashion. Grandmother, we sincerely appreciate all you gave to us, now you are an angel that will protect and watch over us. Your endless love will never cease. Just know you will forever be in our hearts no matter how far we are apart.
