

Sister and Best Friend

By: Felicia Adams

*The moment I realized,
my sister just died.*

My hands cradled my face, and I frantically cried.

Why did this happen, and how could this be.

She had so much to live for, we could all clearly see.

My heart simply dropped, and felt a sharp pain.

My tears fell instantly,

Like a severe August rain.

I was truly lucky, to have a sister like her.

Countless others, nod and concur.

I will miss our talks, and her comforting voice.

And those random moments, where we'd mutually rejoice

Legacy of Love

By: Her Tudy

*A mother and a grandma too,
This is the legacy we have from you.*

You taught us love and how to fight

You gave us strength, you gave us might.

A stronger person would be hard to find,

And in your heart you were always kind.

You fought for us all in one way or another

For all of us you gave your best

And now the time has come for you to rest.

So go in peace, you've earned your sleep,

Your love in our hearts we'll eternally keep.

WE love you MAMA!
