

Salmos 23

Jehová es mi pastor; nada me faltará.

*En lugares de delicados pastos me hará
descansar;*

Junto a aguas de reposo me pastoreará.

Confortará mi alma;

*Me guiará por sendas de justicia por amor de su
nombre.*

Aunque ande en valle de sombra de muerte,

*No temeré mal alguno, porque tú estarás
conmigo;*

Tu vara y tu cayado me infundirán aliento.

*Aderezas mesa delante de mí en presencia de
mis angustiadores;*

*Unges mi cabeza con aceite;
mi copa está rebosando.*

Ciertamente el bien y la misericordia me

seguirán todos los días de mi vida,

Y en la casa de Jehová moraré por largos días.

David Morales Ibanez

David was an outgoing person. He took care of all three brothers whenever the parents would be working. He would cook for everyone. He never had children of his own, but he did have brothers who would consider him as their own father-figure. He was a strong individual and knew how to hide his problems from the world where it seemed like nothing was wrong. David was a hardworking man, and all his brothers have David's work ethic. David loved playing video games throughout his childhood. David was hard on the people whom he loved most; that tough love was what helped his younger brothers get through most things in life. One thing about him was that he would do anything for his mother who was most important to him. David was a genuine, kind-hearted, and incredibly funny person. No matter what kind of day you were having, he had a way of lifting your spirits—even with the silliest joke. He always greeted you with warmth and made sure you were doing okay.

Despite his young age, David carried wisdom and a sense of respect well beyond his years. He had a big heart that was full of compassion, and he made a lasting impression on everyone lucky enough to know him.

Though his time with us was far too short, the impact he made will never be forgotten. We can only hope he's resting peacefully above us now, watching over us with that same smile we all knew and loved. David will always hold a special place in our hearts.

David era un ser humano muy amable el desde su pequena edad fue independiente maduro en responsabilidades de un hogar cuido y protegia a sus Hermanos el cuido de Sherol cuando apenas era una Nina le restive siempre agradecida porque apesar de ser muy joven pudo ayudar a su mama y A mi el tuvos su heroes como cualquier ser humano no somos perfectos siempre estará en nuestros corazones el y sus Hermanós son para mi mas que unos Sobrino nomas le pido a Dios que ellos esten descansando en Paz.

Kimberly M. Lopez Matias

Kimberly Michel López Matías tenía 20 años y era querida por todos con quienes se cruzaba. Es la segunda mayor de 4 hijos (Juan Alfredo López Matías, Ashley Anai López Matías, Levi López Matías) y hija de los padres Brenda Beatris Matías Pérez y Juan Álvaro López Pinzón. Michelle fue la alegría de muchas personas, ayudaba a su madre en su trabajo de limpieza de casas. Kimberly amaba a los niños y a los bebés, mostraba su amor por los niños cuando los veía y los cuidaba tanto como a sus primitos. Estaba tan emocionada cuando su sobrina Violeta Aurora López Barrera llegó a este mundo en febrero de 2025. Ella era su alegría y felicidad y si pudiera verla todos los días haría cualquier cosa para que sucediera, aunque fuera por un par de minutos. Ella ayudaría a cuidarla cuando la madre de Violet regresó al trabajo. A Kimberly le encantaban los rompecabezas y construir legos (tenía una colección de figuras construidas) y le encantaba cocinar, era la chef de la casa. Le encantaba pasar tiempo con sus hermanos Ashley y Levi, como salir a comer y poner música a todo volumen en el auto y recojerlos del escuela. Siempre pasaba tiempo tratando de embellecer a su hermano mayor y a su padre con cuidandoles la piel y el cabello de ellos. Algún día quiso tener hijos propios, pero mostró su amor a cada niño y bebe con el que convivía. Kimberly también era el alma de la fiesta y le encantaba el baile, seguro que bailaba esos pies en cada fiesta a la que iba y no se cansaba para nada. También era sensible de corazón, no importaba lo dura que pareciera, su corazón era suave y su personalidad era dulce como el néctar y su personalidad florecía como una hermosa flor con todos. Era una persona muy divertida y sabía cómo hacerte reír y sonreír, su risa era única y inolvidable. Kimberly intentaba vivir la vida al máximo cada día; no existían los imposibles. Además, detestaba la negatividad; siempre era positiva y alegre, y llenaba la vida de todos. Siempre intentaba ayudar a todos a ser la mejor versión de sí mismos. Y tanto como ella daba amor, también David se cruzó en su camino, se conocieron en el restauan “Mi Cancun” en Angier, ella trabajaba como mesera y fue quien lo atrapo a el jeje (el llegaba a comer como cliente), ella era bien dispuesta y sabía lo que quería, decía que David era “su macho.” Ella amaba a David con toda su alma y corazón y era muy feliz. David la trató como una reina y hacía reír y sonreír a Kimberly como nunca, los dos eran la luna y el sol y los dos alumbraban nuestras vidas para siempre.

Kimberly Michel Lopez Matias was 20 years old and loved by everyone she came across. She was the second oldest of four, Juan Alfredo Lopez Matias, Ashley Anai Lopez Matias, and Levi Lopez Matias, and the daughter of parents, Brenda Beatris Matias Perez and Juan Alvaro Lopez Pinzon. Michelle was the

joy of many; she helped her mom in her line of work of cleaning houses. Kimberly loved kids and babies, and as she was growing up, she would show her love for children and would care for them as well, such as her little cousins. She was so excited when her niece, Violet Aurora Lopez Barrera, came into this world in February of 2025. She was her joy and happiness, and if she could see her everyday, she will do anything to make it happen, even if it would be for a couple of minutes. She would help take care of her when Violet's mother went back to work. Kimberly loved puzzles and building legos (she had a collection of built figures) and loved cooking. She was the chef of the house; she was the definition of a way to a person's heart is through their stomach. She loved spending time with her siblings, Ashley and Levi, such as going out to eat and blasting music in the car. She always would spend time trying to beautify her oldest brother and father with skin care and hair care. She someday wanted kids of her own but showed her love to every kid she would interact with. Kimberly also was the life of the party, and she loved the dance. She sure danced those feet off at every party she went to and wouldn't get tired. She was also sensitive at heart. No matter how tough she seemed, her heart was soft and her personality was sweet as nectar and her personality bloomed like a beautiful flower with everyone. She was a very funny individual and knew how to get a laugh and smile from you, and her laugh was unique and unforgettable. Kimberly would try to live life to the fullest every single day. There was no such thing as impossible or “can't.” She also disliked negativity; she would always be positive and joyful and filled everyone's life with life. She always tried to help everyone to be their best version of themselves. Just like Kimberly loved everyone, she was loved by her dear David. She was a server and waitress at a restaurant in Angier named “Mi Cancun” and made the first move on David as he was a customer who would eat at the restaurant. She always said David was her “macho.” She knew what she wanted all the time and knew David was for her; it was love at first sight. She loved David with all of her heart and soul, and David would treat her like a queen and would make her smile and laugh more than ever. Both together are like the Sun and Moon, and both of them together will shine their beautiful light on us forever until the end of time.

Clematis flowers, Kimberly's birth flower, are not only known for their beauty and representing deep admiration and a refined sense of love but also symbolize transformation and spiritual growth. As the flowers bloom and go through various stages, they remind us of the continuous development and evolution we undergo in our lives. In many cultures, clematis flowers are linked to spiritual enlightenment and personal transformation, representing the journey towards self-discovery and inner growth.
