

Butterfly

*As you danced in the light with joy, love lifted you.
As you brushed against this world so gently,
You lifted us.*

*Love is like a butterfly; it goes where it pleases,
And pleases wherever it goes.*

*A butterfly glows beside us like a sunbeam,
And for a brief moment,*

Its glory and beauty belong to our world.

But then it flies again,

And though we wish it could have stayed,

We feel lucky to have seen it.

The Day God Took You Home

*You never said, "I'm leaving."
You never said, "Good-bye."
You were gone before I knew it,
And only God knew why.
A million times I needed you;
A million times I cried.
If love alone could have saved you,
You never would have died.*

*In life, I loved you dearly;
In death, I love you still.
In my heart, you hold a place
That no one could ever fill.
It broke my heart to lose you,
But you didn't go alone.
Part of me went with you
The day God took you home.*
