

The Link

They say memories are golden,
Well maybe that is true.
I never wanted memories,
I only wanted you.
A million times I needed you,
A million times I cried.
If love alone could have saved you,
You never would have died.
In life I loved you dearly,
In death I love you still.
In my heart you hold a place
No one could ever fill.
If tears could build a stairway
And heartache make a lane,
I'd walk the path into your deep sleep
And bring you back again.
The daughter, a mother the love of one's life.
We promise we will continue on,
And not live our lives in strife.
Our family chain is broken
And nothing seems the same.
But as Jehovah God calls us one by one,
The chain will link again.

Reflection of Life

Nausheena Sherie Howard was born January 19, 1983 at Thomas Jefferson Hospital in Philadelphia, Pennsylvania to Deborah E. Howard Creech and the late Charles L. Howard, Jr. She passed away on August 13, 2024 at 2:03 p.m.

Family and friends affectionately called her “Sheena”. Sheena started her education in the Philadelphia public school district. Her family left Philadelphia to move to South Carolina in 1994. She continued her education and graduated from Allendale-Fairfax High School in 2001. She moved back to Philadelphia and attended Katherine Gibbs College. She majored in Business Administration and received her Associated Degree.

It was here that she met Marquel Burton and they wed in 2009. They had three beautiful children from this union. Even though their relationship turned out to be less permanent than they expected, she went on to raise her children as a single mother with much love to give. She made a career working in armed security at various hospitals.

Sheena loved cooking and making gift baskets for people she loved. She shared her love wherever she went, with a big heart that gave her the strength despite obstacles that arose in her life.

In the summer of 2023, she met a remarkable man named Brandon Baylor that changed her life. They fell in love and soon she moved back to South Carolina to begin a new life with Brandon and her children. Their life took a hit when Sheena started feeling ill. His love motivated him to purchase a bigger home to give them the needed space they desired. Sheena felt his love for her until her death. Even though her pain was intense, when he walked into the room, her mouth opened to mouth the words “I love you”. He was left devastated upon her leaving as was the rest of the family.

She was preceded in death by her father in 1993; grandfather, Roy C. Hammond; uncle, Gregory Hammond; and her paternal grandparents, Charles L. Howard and Mary Howard.

Sheena leaves loving memories to her beautiful children: Jared Burton 16, Janiya Burton 14 and Jordyn Burton 12; her loving partner, Brandon Baylor; her mother and stepfather, Deborah and Lewis Creech; grandparents, Isabella Hammond and Eddie Hammond; two brothers: Eric Lewis and Charles Howard III; a sister, Tobian (Daniel) York; a stepsister, Monica Creech; a special cousin, Jade Howard; maternal uncles, Bruce (Lynn) Hammond, Maurice (Nelly) Hammond, Roy (Roxanne) Hammond; paternal uncles: Carl (Jacqueline) Howard, Calvin Howard, Chris (Sonya) Howard; maternal aunt, Sabrina (Mac) Williams; paternal aunts: Gwen McNeil, Evelyn (David) Curtis and Patricia (Jackie) Howard; and a host of loving nieces, nephews, other loving relatives.

Lasting Memories

*In my heart, you will continue to be one of my three chambers.
Love, Mom*

*Hi Mommy,
I'm gonna miss your hugs, kisses and the way you smile. I really miss you but I know you're in a better place now. I love you very much.
Love, Janiya*

*My mother was a great woman and she put 110% into everything she gave or did for us. Never complained about anything when it came to me and my sisters.
Thank you for giving us the world...rest up!
-Jared*

*Hi Mommy, thank you for being my movie, art, and crochet buddy. They are all happy memories. I love you very much.
-Jordyn*

*I thought of you today, just as I think of you everyday. I closed my eyes and let my mind flood with memories of special times that you and I shared. I look to the sky and smile knowing that I have you looking down and watching over me. It is said time will heal all. Today, tomorrow or years from now I will not change the way I feel about you. In my heart you will always remain. I miss you everyday and will continue to keep your memories alive.
Until we meet again, love always.
~Brandon*
