My Beautiful Angel is Gone

April 13, 1982, is the day you gave birth to me,
your second bundle of joy
So anxious to hold me in your arms and kiss me,
your little baby boy.

You used your eyes to watch me carefully
as I cried and slept through the night
Being able to see me grow into a man,
knowing you did everything just right.

You used your ears to listen for me,
every time I cried to go with you
Even when I got older you listened and guided
me, until I knew just what to do.

You used your hands to nurture and support me,
to make sure I had all that I need
So I know what it means to be humble to others,
and always do good deeds.

You used your heart to show me so much love
and affection, every single day
Even when I became a man,
your mother's love never faded away.

You used your mouth to sing and tell me,
you loved me with all your heart
Even if it was just a 5-minute phone call
when we were miles apart.

You told me when the day comes for you to
leave me behind, to always be strong
I'm trying to do that today Mom,
but it's hard because my beautiful Angel is gone.
