

I Miss You, Dad

*I've gotten through the worst part,
The sea of endless tears,
I've managed to go on from there,
To travel through the years.*

*I've had my share of gladness,
And watched my children grow,
But one thing has remained unchanged,
Somehow, I hope you know...*

*I never have forgotten,
The joys I shared with you.
You'll always be a part of me,
Of all I say and do.*

*And though I'm truly grateful
For everything we had,
My heart forever echoes...
"I really miss you, Dad!"*

"Where Comfort Is Found In Memories"

In Loving Memory of a Special Granddad

The day you left
And gained your wings
I wish you could have
Stayed with me
But Heaven needed you

You left me with the memories
And I love you dearly still
No matter how much
Time goes by
You know I always will

You were a very special person
With kindness in your heart
And the love we had together
Grows stronger now we're apart

I know I cannot bring you back
Although I wish it everyday
But a piece of me went with you
The day you went away

Lovingly submitted,
Your Grandchildren

"I'll Fly Away"

I Thought of You Today

I thought of you with love today,

But that is nothing new.

I thought about you yesterday

And days before that too.

I think of you in silence

I often speak your name

All I have are memories

And your picture in a frame.

Your memory is my keepsake

With which I'll never part.

God has you in His keeping,

I have you in my heart.

Lovingly submitted, Your Wife
