

REMEMBERING YOU

Mike, so many memories and I will still have room for more. I just don't want to be selfish. I love you so much, so I am letting you go. But my heart is breaking because I won't be able to talk with you, kiss you or hold your hand. That tight hug you gave even in your silent moments, I could still feel the love.

I remembered when you told me our marriage was your first and your last and you kept that promise.

There is so much I could write but the only thing that is important is that you loved the Lord and you worshiped Him to the end. You were a man that never complained.

Mike I love you then. I love you now. I will love you forever in a day. Rest my King.

Your loving Wife,
Pecan

FOREVER

Gone yet not forgotten
Although we are apart,
Your spirit lives within me,
Forever in my heart.

No farewell words were spoken,
No time to say good-bye
You were gone before we knew it,
And only God knows why.

If love could have saved you,
You would have lived forever.

With Love,
Your mother, Eva Lou

WELCOME HOME

When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me
With too many tears,
But be thankful we had so many good years.

I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.

So grieve for me a while, if grieve you must,
Then let your grief be comforted by trust.
It is only for a while that we must part,
So treasure the memories within your heart.

I won't be far away, for life goes on.
And if you need me, call and I will come.

Though you can't see or touch me, I will be near,
And if you listen with your heart, you'll hear
All my love around you soft and clear.

And then, when you come this way alone,
I'll greet you with a smile and a "Welcome Home"

Lovingly Submitted,
Your Children, Sisters and Brothers

GRANDPA

Grandpa, your life was full of loving deeds
Forever thoughtful of our special needs
Today and tomorrow,
My whole life through
We will always love and cherish you.

With Love,
*Grandchildren &
Great Grandchild*
