Love Lives On

Those we love are never really lost to us, we feel them in so many special ways through friends they always cared about and dreams they left behind, in beauty that they added to our days...in words of wisdom we still carry with us and memories that never will be gone.

Those we love are never really lost to us for everywhere their special love lives on.

Farewell To Our Beloved One

In tears we saw you sinking and saw you fade away, our hearts were truly broken, we wanted you to stay, but when we saw you sleeping so peaceful and free of pain, how could we wish you back with us to go through that again. A golden heart stopped beating, two busy hands at rest. God broke our hearts to prove to us he always takes the best. Sleep on our loved one, take your rest. We love you, but God loves you best.
