Acknowledgments:

Special people always will be,
Ingrained in our heart and memory.
Look through the tears, the sorrow, the pain,
Reflect on the thoughts you want to retain.
Remember the love, the warm embrace,
Remember the touch, the smiling face.
Remember the person so gentle and kind,
Who always was caring in action and mind.
Always remember, never forget,
People live in our heart,
And if you remember the person within,
Their spirit will never depart.

I Am My Brother's Keeper

I am not going to say that I am not going to cry
because it hurt so bad the day I had to say bye..

With tears in my eyes I look to the sky and say,
“why, oh why did you have to die?”

I love you so much with my heart, soul and mind
‘til I know many days are going to go by
before I realize only God knows why.

So saying bye in this poem doesn't mean just fly high.
It means I will see you when I rise.

I love you, Poon.

Hold a place for me 'cause
I will always be my brother's keeper.
