

"I'M FREE"

Don't grieve for me for now I'm free,
I'm following the path God laid for me
I took his hand when I heard him call,
I turned my back and left it all

I could not stay another day,
To laugh, to love, to work or play
Tasks left undone must stay that way,
I found that peace at the close of day

If my parting has left a void,
Then fill it with remembered joy
A friendship shared, a laugh, a kiss,
Oh yes, these things I too will miss

Be not burdened with times of sorrow,
I wish for you the sunshine of tomorrow
My life's been full, I've savored much,
Magnificent friends, great friends,
And a loved one's touch

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief
Lift up your heart, rejoice with me,
God wanted me now, He set me free.
