If tears could build a stairway,
and memories a lane
We would walk right up to Heaven
and bring you back again.
No farewell words were spoken,
No time to say "Goodbye"
You were gone before we knew it,
and only God knows why.
Our hearts still aches with sadness,
and secret tears still flow.
What it meant to lose you
No one will ever know.
But now we know you want us
to mourn for you no more
To remember all the happy times
Life still has much in store.
Since you'll never be forgotten,
We pledge to you today
A hallowed place within our hearts
is where you'll always stay.
