

A Mother's Love

There's no love like a mother's,
Her heart is filled with care.
With Christ as her example,
Her Savior's love she'll share.

A mother's love is endless,
Not changing for all time.
When needed by her children,
A mother's love will shine.

God bless these special mothers,
God bless them every one.
For all their tears and heartaches,
And special work they've done.

When days on earth are over,
A mother's love lives on,
Through many generations,
God's blessings on each one.

Be thankful for our mothers,
Who love with higher love,
From power God has given,
And strength from up above.

With Sincere Gratitude

Words of thanks seem so inadequate for all of the kindness that has been bestowed upon our family.

We thank you for the encouraging visits, the comforting calls, the posts and prayers. We are finding strength in knowing earth has no sorrow that God cannot heal. Thank You.

I AM YOUR ANGEL

Now that I am in the other world
where souls find a resting place
among the rainbow-colored waterfalls-

I will be your guardian angel,
your sweet angel watching over you.

I will dry your tears
and hold you in a tight embrace
and your heart will remember
I am only a tender breath away.

You can call me when your heart is breaking,
you can call me when you want to feel my love,
you can call me, and I will be by your side
even if I am now dancing in the Light with God.

I may seem to be gone
but I am still with you
while we fulfill God's Higher Plan .
I am a tender breath away
always loving you....
