

Her Story

Barbara Elaine Huff was born to J.D and Mary Louise Huff on March 29, 1959. They had a loving family, and she was one of seven children from their beautiful union. Barbara had five sisters and two brothers in total. Shirley Gordon (who preceded her in death), and Jerome Grant, Sandra (Larry) Johnson, Natin Huff, Catheren Huff, Patricia Huff, and Chiquita Huff.

Barbara was born in Chicago, Illinois and later raised in South Florida. She was educated in the Broward County Public School system graduating from McArthur High School in Hollywood, Florida in 1977. After high school Barbara attended Cosmetology School and became a licensed Cosmetologist. In her late twenties her career shifted towards education. Her love for children led her to begin working as a Teacher's Aide in Daycare, and eventually the public school system. Barbara moved to West Palm Beach where she continued to foster her love for children and began working with the Palm Beach County School District over the next few decades. Her passion for children and community aligned with her purpose as she worked in schools with special needs children until her retirement.

Though Barbara was a very private person and lived a private life, everyone knew she loved children, and she loved church. Barbara loved attending church and participating in activities for her own personal growth and sense of community. She enjoyed attending Bible study, prayer groups and worship services.

Barbara leaves a vacancy in the hearts of many, including her siblings, nieces, nephews and a host of other family and friends. Though she didn't have biological children, she made a lifelong impact on the hearts and minds of all the many children she encountered. She will always be loved and forever missed.

Footprints in the Sand by Mary Stevenson

One night I dreamed I was walking along the beach with the Lord.

Many scenes from my life flashed across the sky.

In each scene I noticed footprints in the sand.

Sometimes there were two sets of footprints,

other times there were one set of footprints.

This bothered me because I noticed that during the low periods of my life,

when I was suffering from anguish, sorrow or defeat,

I could see only one set of footprints.

So I said to the Lord,

"You promised me Lord, that if I followed you,

you would walk with me always.

But I have noticed that during the most trying periods of my life

there have only been one set of footprints in the sand.

Why, when I needed you most,
you have not been there for me?"

The Lord replied,

*"The times when you have
seen only one set of footprints,
is when I carried you."*
