

God's Garden

God looked around his garden and found an empty place,
he then looked down upon the Earth and saw your tired
face. He put His arms around you and lifted you to rest.
God's garden must be beautiful, He always takes the best.
He knew that you were suffering He knew you were in pain.
He knew that you would not get well on earth again. He
saw the road was getting rough and the hills were hard to
climb. So he closed your weary eyelids and whispered,
"Peace be Thine". It broke our hearts to lose you, but you
didn't go alone, for part of us went with you the day God
called you home.

Obituary

A TIME TO BE BORN

On February 1st, 1979, in Queens, New York, a son named Alqui L. Wright was born to Mary M. Wright and Kenneth W. Joyner. From the very beginning, his bright smile and lively spirit made him unforgettable. To his family and friends, he was affectionately known as "Popeye."

A TIME TO LIVE

Alqui spent his early years in Florida, where he began his education and discovered many of the passions that would remain with him throughout life. Throughout his childhood, he exhibited a profound affinity for drawing, embodying the essence of an artist. His enthusiasm extended to a variety of activities—football, fishing, gaming, and basketball—all of which showcased his energy and competitive spirit.

In addition, Alqui demonstrated a compassionate nature toward animals, never hesitating to care for strays. His character was well-rounded, marked by both a protective instinct and a drive to excel in whatever he pursued.

He cherished time with family, whether fishing, playing cards, or bowling. A die-hard San Francisco 49ers fan, he especially loved catching the game at Stanka's house, where family and football came together. His team spirit and lively commentary made every game a memorable one.

He had a passion for cooking, never missing a chance to "throw down" in the kitchen. He especially loved the holidays for the opportunity to be surrounded by family, cooking and sharing a meal together. If you couldn't make it to grab a plate, videos of the meal definitely came your way.

Before falling ill, Alqui was known for his diligent work ethic, frequently working overtime and often rising into management or supervisory roles. His steady commitment and leadership earned the respect of those he worked alongside.

For three years, Alqui fought his battle against cancer with unwavering courage. Even through treatments and challenges, he kept his infectious smile and quick wit. In his final days, he was surrounded by family, who fought alongside him with love and support. His strength, sense of humor, and ability to bring joy to others remained steady until the very end.

A TIME TO MOURN

On Wednesday, September 10, 2025, at the age of 46, God called Alqui home.

He leaves to cherish his memory his devoted mother, Mary M. Wright, and father, Kenneth W. Joyner; his loving sisters, Sheannell Hollinger, Latisha Wright-Lewis, and Alicia Lewis; and his brothers, Kenneth Wright and Jerrick Wright. He will also be fondly remembered by his nieces, CheyAuntae Austin and Nyhla Hollinger, and his two nephews, James Austin IV and Chance Taylor as well as a host of family and friends.

Alqui was preceded in death by his brother, David Wright. Though his earthly journey has ended, his memory will live on through his family and friends, who will forever hold close the laughter, warmth, and love he so freely gave.
