

I'm Still Here

I may be gone but please don't cry,
Death is not the last goodbye
Death release all of my pain
There will come a day, we will meet again
Don't be blue and do not be sad,
think back to the fun we had.
I am always here, I hear you speak,
in time of trouble it is me you seek.
You don't see me, but I see you,
I'm Still Here
I will do my best to pull you through.
Speak to me and I will hear, never far, I am always near.
Be brave my love, do not cry, see you again, it's not goodbye.

Love Your Wife

My Heavenly Love

I was supposed to spend the rest of my life with you and then I realised you spent the rest of your life with me. I smile because I know you loved me until the day you went away and I will keep loving you until the day we are together again.

I love you Babygirl, Your Husband.....
